

edge AI technology. We believe that sales teams should focus on closing deals, not chasing leads.

Our Values

- ✓

Innovation
We constantly push the boundaries of what's possible with AI sales technology.
- ✓

Client Success
We measure our success by the results we deliver for our clients.
- ✓

Reliability
Our systems are built for enterprise-grade reliability and security.

Emma Thompson
CEO & Founder

James Wilson
CTO

Sarah Chen
Head of AI Research

David Miller
Sales Director
